

THE QUEENSLAND COUNTRY WOMEN'S ASSOCIATION

QCWA State Photography Contest

NOTES FOR BRANCH CONVENORS

Please give, email or display the 2023 Categories List, By-Laws and Rules to your members and invite members of the public to enter the competition. The photography competition is open to all - men, women and children.

It is best to start sending/giving out the information before the end of November if possible allowing everyone plenty of time to get photographs ready.

Choose a competition judging date and organize a judge. The Branch contest needs to be held **early in the year** to allow time for the 1st place photos to be sent to the Division Convenor for judging. The winning photographs from the Division judging are then judged at Region level before being displayed at the Region Meeting.

- Please check when the 2023 Division judging is so you can hold the Branch contest with adequate time to get the Branch Form and photos sent to the list below***
- Please attach the disclaimer form for photos of children.
- Please attach the permission form for drone photos.
- Please ensure, if possible, that each photo has a Velcro dot or piece attached to each corner of the back of the photo. This allows for easier display at the next levels.
